Who are **FRIENDS OF BUY LOCAL MOSCOW?**

We are other businesses, organizations and individuals who do not qualify as members, but who support Buy Local Moscow and its goals to strengthen the social and economic framework of Moscow by supporting and promoting the community's locally owned independent businesses and by educating the community about the vital role of locally owned businesses.

Why support **BUY LOCAL MOSCOW?**

Locally owned independent businesses are Moscow's commercial heart. These are the businesses that reinvest their profits within the community, create meaningful jobs, donate consistently to local programs, maintain diverse product choices, and strengthen our community's unique character.
